# ABOUT OUR FIRM

We are committed to empowering your foundation with seamless compliance and financial integrity.

Mayur and Company is a Delhi-based firm of Chartered Accountants dedicated to providing high-quality professional services. We pride ourselves on precision and timely compliance, ensuring that organizations maintain proper books and files to meet all legal requirements under the Companies and Income Tax Acts. Our expert team focuses on delivering actionable financial insights.

## Our Mission

To provide transparent and reliable auditing services that ensure legal compliance for our clients. We strive to support the financial health of foundations through diligent reporting, certification, and timely regulatory filing.

## Our Commitment

We prioritize accuracy in every filing, from TDS returns to annual company returns. Our team ensures your organization meets every statutory deadline while maintaining the highest professional standards in all agreed services.

## Our Goal

Our objective is to simplify complex regulatory requirements for the Board of Directors. We aim to be a trusted partner in your foundation's journey toward long-term institutional growth and successful transformation.
